Graeme Jones is again organising the Club team for this year's race on Sunday 11 August.

Run as part of the "Tattersall's Club Team" please ring Graeme on (02) 216 2331 with your name, t-shirt size, home and business telephone number.

BILLIARDS & SNOOKER

Eddie Crane Crystal Pairs

The second of three Annual Eddie Crane Crystal Pairs will be played on Friday 19 July commencing 4:00pm through to 9:00pm.

Entries are free and food and drinks will be provided by the Snooker Sub-Committee from 5:30 to 7:00pm. Partners are drawn off Club Handicaps.

First prize is two sets of crystal glasses provided by Eddie Crane and \$500 donated by the Snooker Sub-Committee. To nominate please contact Paddy Morgan by Thursday 18 July.

Annual Snooker Tournament

The Tournament is progressing smoothly. Some great contests have been witnessed - Eddie Charlton defeated Bill Srontszas in a very professional display. John Gowran played well in defeating George Bloomfield on the pink and new player Kerry Series defeated Michael Lannon on the black!

**Billiards nominations will
be taken in July.**

Interclub Tournament

Coming into the end of the first round of the tournament, Tattersall's has been performing well to hold on to first place, a position it has held since the beginning of this year's tournament. The regular players are all grateful for the tremendous support received from other Club members, both morally and in times when numbers have been diminished due to illnesses etc.

Members are reminded to check the notice board to avoid any confusion about when the team is playing at home as all the tables are occupied between 7:00 and 9:00pm. The schedule is on the notice board in the Snooker & Billiards Room. Supporters are always welcome and it has been good to see a number of other Club members showing interest and supporting the team.

DINING ROOM ART

Artist - Roy Churcher

Title - *Grapefruit*

Roy Churcher was born in London, UK, in 1933. He arrived in Australia in 1957, and studied for a Diploma of Fine Arts and Etching at the Slade School, University College in 1956. He then taught at the Central Technical College in Brisbane and is currently living and working in Canberra.

Since 1969, Roy has had numerous solo and group exhibitions including regular solo shows in Brisbane, Melbourne and Canberra. In 1972 he was awarded the Italian Government Travelling Scholarship.

The artist is represented in the Queensland Art Gallery, the National Gallery of Victoria Collection, the Myer Collection, BHP, and the New Parliament House, Canberra; as well as Private collections.

Grapefruit is a bold and expressive representation of still-life. This work is an example of the artists early career style, when the artist was deliberate and direct in his application of paint. The painting also suggests and uninhibited use of line and colour, especially the bold contrast of the red, blue and yellow. His later and most current work continues to reflect his passion for a colourful and unapologetic use of the paint.

Do you have a son or daughter planning a wedding - why not consider your Club for the reception? We have gracious rooms with a vista of Hyde Park set in an ambience of tradition. Our specialist personnel will carry out all your requirements. Enquiries : Banqueting Department.

THE CAR, THE COAT and

(next door to Tattersall's)

You don't need a serious Winter Coat in Sydney. Not when you drive a car nearly everywhere. But a nothing-weight "Ballarini" coat (found by Vince M in Turin) makes sense, keeps you dry and has that ego-lifting Italian look.

The "Ballarini" comes as a swishy, free-falling, calf-length lightweight, a bit like the classic English raglan-sleeved, shower-proof of old but younger in spirit. Think of Randwick on a rain-spattered race day. \$835

Or go for the Bogart-type "Ballarini" with plenty of dashing collar, buckled belt, double yolked shoulders and all that. Tobacco coloured \$885.
